Excise report for the year 1878-79.

No 268 Ex 3

Chittaldroog District
Dy Commrs Office
2d June 1879.

From.

The Deputy Commissioner
Chittaldroog District

To

The Commissioner
Nagar Division.

Sir,

I have the honor to acknowledge your C. Circular No 78 of the 21st May 1879, asking further information, on the annual Excise Report, for 1878-79, on Sayer and Abkari and to submit the following.

Falling off in the duty of dry Cocoanut

2. The accompanying statement shows Hobliwar, the sayer duty levied on dry and fresh Cocoanuts.

3 It is apparent that owing to the continued draught for the last 3 years, almost all the gardens dried up, Consequently it was not possible for the owners of gardens to keep on stock as much dry Cocoanut as they used to keep in former years, when the crop was in abundance, hence the export and import became less and the result was the less realization of duty. It may also be presumed that the pecuniary circumstance of the people Compelled them to sell the fresh Cocoanuts during the year whether matured or not.

4 This presumption is supported by the increase in the duty levied on fresh Cocoa-
-nuts

rule which is apparent in all the Talugs except Kancoopa and Honigur, in these two Talooks the falling off in the duty on dry Cocoanuts was trifling.

5. The realizations from dry Cocoanuts in 1877-78, and 1878-79, in the Bordibal Talook show an enormous decrease of Rs: 1117-10-4 in the year under report, while the increase of Rs: 165-10-3, in the duty on fresh ones bears no reasonable proportion to the falling off.

6 This is the only Talook in the District where Cocoanuts are grown in abundance. To account for this singular decrease the Amildar has simply stated that the produce was less, and out of it there was export to Her Majesty's Territory.

7. I submit herewith a statement which will show that there was a decrease in 1878-79 both in the number of Smuggling Cases detected, and the realizations from goods therein involved. The number of Cases detected was 27 against 29 in the previous year; and the realizations were Rs: 130-16-10 against 135-13-7 in 1877-78. Cases of Smuggling

8 The checks exercised by the Sayer Establishment, where such exists in this District Consist in the tours which the members thereof make now and then, purposely to find out Smuggling, if any, is taking place, and in the Examination & Comparision, which they hold, at the frontier of the goods on their way to Her Majesty's territories with the accompanying Rahadaries. Where there is no such seperate Establishment the first named check is exercised by the Sheikdars. Checks maintained on Smuggling.

Working of the Sayer Establishment—

9. As far as I see from the statistics of the year, the Sayer Establishment appears to have worked well, but my private connection is that the establishment is not working as it should, and we have no means of bringing it home to the Sayer servants—

Working of the Sudder distillery system—

10. With regard to the falling off in the realization of still head duty I beg to state that the disappearance of famine has not brought back to us the Bolegers, the Madigers the waddars and Bedars &c who died in very great numbers during the famine, and who were our chief Consumers of arrack. The less quantity of arrack purchased from the Sudder distillery proves this—

11 The utility of the Sudder distillery system Consists in the option allowed to "any person "who chooses to erect a still at his own expense within the Sudder distillery enclosure and distils as much liquor as he pleases, and he may remove liquor himself, or he may sell it to others. The party removing the spirit must first pay the duty per gallon on the quantity he wishes to remove"

12 With a view of having a moderate Margin of profit to the distillers the rate of duty per gallon which was Rs: 1-14-11, inclusive of local Cess, was raised, from 1st January 1875 to Rs: 1-13-9, in the Case of wholesale shops and from Rs: 1-1-0 to Rs: 2-2-0 in regard to retail shops.

13 A great portion of increase in the duty has to be borne by the Consumer, and thus him, to some extent, by the distiller and

Vendor

Vendor generally, the consumption has gradually decreased, since the introduction of new rates, and this, in its turn, has contributed to a corresponding decrease in the purchase of arrack from Sudder distillery, as is apparent from the marginal statement

14 - Apart from the increased still head duty, the past famine especially had a great hand in the large decrease in the consumption, as can be observed from the fact that the number of shops, which was 5·2 in 1875-76 became so low as 12 in 1878-79 -

15. Keeping in view that the "true object of an excise on spirits is to obtain the maximum Revenue on the minimum Consumption of liquor" I am of opinion that the incread rates of duty may be maintained -

16. The Cost of Establishment, at present maintained leaves a small surplus to the Govt as denoted in the statement alluded to in para

2nd

para 13. of this letter—

Smuggling — 17. 5 Cases of smuggling liquor were enquired into by the Amildar and 2nd Class Magistrate of Davangere Taluk, and the offenders were punished by fine amounting in all to Rs: 350—0—0— The smuggled liquor was brought from H. H's. Territories where the Cuddies Distillery system does not exist, and where liquor is moreover sold very cheap— A sum of Rs: 42—3—3 was realized by the Sale proceeds of smuggled liquor—

License fee for the Vend of European liquors } 18. There was only one shop kept at Chitaldroog paying a fee of Rs: 12 per annum— Owing to the reduced circumstances of the Shop Keeper and the want of Consumption, the Shop Keeper left the place, under these circumstances, I do not think that there will be any enhancement possible under this head—

No 196.

Deputy Commissioners office
Chittagong District
Dated 17th May 79.

From The Deputy Commissioner
Chittagong Distt
To The Commissioner
Nagaon

Sir,

I have the honor to submit the following report, and the marginally noted Statements relative to the Administration of Excise Revenue during the year 1878-79.

from Nos 1 to 8.

2. The Revenue is derived from the realizations under the two heads viz "Abkary" and "Duties". Of the 1st head the item of Toddy was under the Govt management throughout the District during the year under report, and was partly on contract and partly under Government agency in the preceding year—

3. The Statement appended below shews the receipts under the head of Abkary during the years of 1877-78 and 1878-79 —

Items	1877-78	1877-78	Increase	Decrease
Still head duty on arrack —	20998 "	16700 "	" " "	4298 "
License fees for sale of arrack shops	549 "	564	93 15	93 "
Do for English liquor	12 "	12 "	" " "	" "
Sale of arrack shops by auction	115 "	67 2 "	" " "	47 14 "
Miscellaneous —	23934	1601	13 " "	23332 10
	51696	23746	6 15 93	28108 10
deduct increase —	" " "	" " "	" " "	15 93
Net decrease	" " "	" " "	" " "	27914 57

4. The decrease of Rs 2794 15.7 is due to the less demand for the supply of arrack and other causes connected with the late famine. The largest decrease is under the item "Miscellaneous". The reason for this was, that during the previous years the Toddy farm & "this district" was on contract, and the contractors having failed to pay up their kists regularly, an interest of Rs 1442-14-2 and a fine of Rs 943-15-11 were levied and included under this head, but in the year under report the Toddy having been worked out by Government Agency, no such fines were imposed, hence the decrease. But yet if the amount of interest and fine be deducted from the income under this head it will be observed that the net receipt of 1877.78 was only Rs 7---- while of 1878.79 was Rs. 60-11-3

5 The No of gallons issued during the year from the Sudder Distillery was 835 against 1068 in the previous year.

6. The receipts from Ganja, Toddy & Opium as compared with the previous year were as follows —

Items	1877.78	1878.79	Increase	Decrease
Toddy —	54003 9 3	26401 6 6	"	27602 9
Ganja —	35 " "	" " "	"	35 " "
Opium —	26 " "	" " "	"	26 " "
	54064 9 3	26401 6 6	"	27663 9

7. The considerable decrease in the Toddy Revenue is due to the cepation of the Contract system on the 31st March 1878, and to the working up of the farms by Amani, owing to the want of competition, consequent on the loss sustained by late Contractors, and the devastation of Toddy trees during the famine—

8. The decrease under the head "Ganja and Opium was owing to no one having applied for licence to vend these articles during the year—

9. The cost of Abkary Establishment was Rs 2448-4-9 against Rs 1983-3-2 in the previous year. The increase of Rs 465-1-7 is due to the entertainment of a few temporary hands during April and May 1878, in consequence of the Toddy having been worked under Amani and also to the arrears of 1877-78, having been paid and charged in 1878-79—

10. The receipts from duty levied on the several items which form the Layer as follows—

Items	1877-78	1878-79	Increase	Decrease
Arrack	385 9 8	1165 5 5 4	11 2 6 9 5 7 2	" " "
Tobacco	1466 3 6	1796 10 10	330 7 4	" " "
Cocoanut toddy	1375 12 3	2865 7	" " "	1089 6 8
Do Green	965 3 10	1171 4 7	206 " 9	" " "
Betel leaves	965 6 9	1029 5 6	63 14 9	" " "
Miscellaneous.	268 8 4	358 13 2	90 4 10	" " "
	8900 11 7	11197 12 7	3386 7 8	1089 6 8
Net increase	" " "	" "	2297 1 "	" " "

11. There has been an increase of Revenue under all head, except "Dry cocoanut". The decrease is mainly due to the less import and export of this article owing to the continued drought since the last three years.-

12 Out of the total receipts Rupees 1096 12-9, were levied as extra Revenue, posted to, and Rs 307-5-- on Imports from Her Majesty's Territories.-

13. The cost of the Establishment for the collection of the Sayer duties was Rs 3612-13-8 against Rs 3574-15-4 in previous year. The increase of Rs 37-14-4, was owing to the allowance paid to Shaikdars and others consequent on the excess collections during the year under report.

The decrease in the realizations from licenses is attributed to the closure of some of the retail shops owing to the disagreement of the Vendors with the Contractors.

7. The realizations under this head amounted during the year to Rs. 4,279-8-0 against Rs. 9,612 in the previous year. The falling off under this item is ascribable to diverse causes. 1st Diversion among Brewers, 2ndly greater resort to Toddy, and 3rdly, the article brewed not being able to bear the duty of 4 Annas a gallon.

8. With a view to prevent evasion in the payment of

of duty paid to place the brewing operations under proper surveillance, the Chief Commissioner has ruled that from 1st September next Beer should be brewed only within the inclosure of the Government distillery; and notices to that effect have been issued to all brewers.

9. The annexed statement gives particulars of the increase and decrease in sales compared with those of the past year, in each of the Breweries.

10. At ~~the~~ beginning of the year under report, the Brewery owned by Messrs Roberts & Co. exchanged hands, and Mr Honeywell became its proprietor, but the License in respect of this brewery was not renewed for 1879-80, and this has reduced the number of Breweries from 3 to 2.

11. The license fees on Breweries collected and credited to Government during the year amounted to Rs 150, whilst on the 29 retail Taverns in the Town and Cantonment of Bangalore Rs 4,140 were levied by the

the Municipality.

12. The privilege to quarry and sell Toddy in all the districts of the division was also leased out at the beginning of the year under report to the same lessee, and on the same term as in the case of arrack.

The amount for the Bangalore District for the year was Rs 100,000 inclusive of Rs 6666-10-8 on account of Gunny and Ganjai and a remission on account of the famine of 1876 was granted on the jewelry Toddy amount.

The sum only Rs 58360-11-2 now exhibited in the

accounts, Contracts Toddy

-gether with a sum of
Rs. 36-5-10 paid by

-upon permitted them
to resign the Lease which
has been subsequently
given out to Messrs Dany
Innidappah and Co. of

2 years at an annual
sum of Rs. 76,000 for the
District, exclusive of Local

ise. Individuals
with the sale of the
Toddy ease, the minor
items of opium ganja

now sold by Govern-
ment agency to retail

licenses for the retail
of Toddy, Opium &c
is vested in the Dy:
Commissioner

13. The demand & Col-
lection 105-6-0 under the
head Miscellaneous
calls for no special
remarks.

14. The receipts from
this source amounted
during

during the year to Rupees 17279-5-1 against Rs. 17,357-5-4 in the year preceding, as detailed below.

It will be seen from the above that there has been an increase in the collections from all the items except Opium and dry cocoanuts, and which increase is the result

result in a favorable season and improved prospects. The decrease in Spain is owing to limited consumption and it may be, smuggling; while that perceivable in the Levant is due to liberal importation attributable to the abundant produce of green tea. The comparison of the figures under Layer of the year under report with those of the years prior to the drought is shown in the annual Summary Statistical Report.

14. It has been stated that in the year under review there were no sales of Assam in excess of the minimum

guaranteed Care will
be taken to see that in
the present current year
no fairly preventible cause
shall be allowed to operate
in hindering the excess
sales which may be
expected on the present
very favorable season

Revenue Department

Sir,

I have the honor to submit the following report on the revenue administration of this District for 1878-79.

Contrast

2 The "Ab Kari" revenue of the year was Rupees 21581--10--11 against Rupees 15091--3--9 of the year 1877-78, giving an increase of Rupees 6490--7 as the receipts from each item included in this head are exhibited in the comparative Statement subjoined

Table No. I.

Items.	1877-78	1878-79	Comparison Increase	Decrease

3. The increase under "Still head duty" is owing to the reduction of better seasons

And

5. Owing to the abolition of the Distillery in the District no cost of establishment for the Collection of the duty on Arrack was incurred during the year under report.

6. There has been a decrease of Rupees 6187-8- " in the receipts on account of Toddy and Ganja which had been farmed for Rs 50000. It is owing to the remission of 1/8th of the Contract amount granted by the Chief Commissioner.

7. The Collections under "Minor Customs" are shewn in the Subjoined Comparative Statement.

3 The Sudder Distillery system is still in force, and the Chief Commissioner has sanctioned

sanctioned its continuance until further orders and pending an opinion being formed of the working of the contract system recently introduced into the Nundydroog Division.

4 The decrease under the several heads of revenue derived from arrack, was not confined to any particular District as will be seen from the following figures.

Districts	1877-78		1878-79		Less	
Shimoga	39,539	5 11	29,379	3 9	10,160	2 2
Kadur	33,089	6 9	26,012	4 ..	7,076	8 9

Total	75,392	4 8	57,693	13 ..	17,698	7 8

5. The following table exhibits the number of stills, the

the wholesale and retail
shops that were kept up
during the year, and the
quantity of arrack distilled.

Districts	Stills		Wholesale shops		Retail shops		Arrack distilled gallons.	
	1877-78	1878-79	1877-78	1878-79	1877-78	1878-79	1877-78	1878-79

Total	27	23	8	5	312	230	28,340	21,897

6 The diminished number
of shops open during the year
and the smaller quantity of
arrack distilled plainly in-
dicate a smaller demand,
and account for the falling
off in revenue as shown above.
The Dy. Commissioner, Shimoga
states that there was an in-
crease in the realizations at
the Sagar Distillery, which
is

is accounted for by the shops of the Kavaledurga Taluk having been supplied from it instead of from Shimoga as was the case in 1877-78.

7 As this decrease is shown in comparison with the returns of the year previous which was a famine year, its cause is not easy to explain. It would have been supposed that with returning prosperity more spirits would have been consumed by those better able to afford it, and the number of coolies on the Coffee Estates has not decreased nor has any fall taken place in their wages. Allowance has to be made for the enforced

-forced habits of abstemious-
-ness taught by the famine,
and to the supposition that
when a little profit came
in, the coolly preferred to
spend it in clothing rather
than in the arrack shop; -
still other causes must have
been at work to effect such
a marked decrease, especially
in those Districts the least
affected by famine. The
chief may be attributed to
the high price demanded by
the distillers for arrack, which
they put on when the price
of jaggory rose, and to a
combination existing among
them to maintain the same
rates although the price has
fallen. An attempt is being
made

made to break down the combination by introducing outsiders as distillers. A few cases of illicit distilling and smuggling from H. H.'s Territory were detected in the Shimoga District but there is no reason to suspect that the Abkari rules are evaded to any marked extent.

8 The revenue derived from toddy in the three Districts is shown below.

Districts	1877-78	1878-79	Loss
Shimoga	14,658 8 ..	9,174 1 4	5,484 6 8
Kadur	34,045 11 2	19,195 3 6	14,850 7 8
Chitaldroog	54,003 9 3	26,401 .6 6	27,602 2 9
Total	1,02,707 12 5	54,770 11 4	47,937 1 1

9 The toddy farms of all Talukas in the Shimoga and Kadur Districts was worked as

as usual by Contract. In
Kadur the Contractor for the
Banavar Taluk failed, and
the farms had to be worked
under Amani. In Chitaldroog
all farms are now under
Government management.
10 The falling off of revenue
under this head is very con-
siderable, but is only what
might be expected after the
severe famine through which
the toddy producing part of
the country has passed. The
census returns show that one
half of the lower classes -
who were the chief consumers
have been swept away. The
toddy drawers themselves suf-
fered very severely, and not
only did the date palm trees
from

from which the toddy is drawn, suffer from the prolonged drought but in many Taluks they were destroyed by the famishing ryots for the vegetable substance at the crest. The previous contractors & their sureties, who were in many cases the only men of substance in the Taluk, were ruined by the heavy loss which they incurred notwithstanding the remission of 1/4th of the years demand accorded by Government. As a consequence no one is found to come forward to take their place, and the income derivable by working the farm by direct Government agency must necessarily be

be small until the trees revive and the surviving inhabitants are in more flourishing circumstances. Toddy with them is a luxury and indulgence in it must be postponed to make way for the more urgent demands of food and clothing.

11 Heavy arrears are due from the contractors, and they are shown below.

District	Amount		
Kadur	22,115	2	11
Chitaldroog	28,279	12	1
Total	50,394	15	"

12 The arrears were espe-cially heavy in the following Taluks.

Banavar	18,954	4	5
Davangere	2,521	9	4
Kankuppa	9,418	9	4
Doderi	4,118	10	3
Hiriyur	12,220	15	2

The

13. The Cost of the Bamavar contractor is under consideration of the Chief Commissioner in The Dy. Commissioner, Chitaldroog, in taking steps to recover the arrears in his District.

14 The decrease under the head opium and Ganja though inconsiderable has been brought about by the same causes as have led to the decrease under arrack and toddy. The following exhibits the number of Ganja & opium shops that were open during the year.

	Ganja	Opium
Shimoga	5	1
Kadur	2.	1
Chitaldroog	"	"

15. There were 7 shops open for

for the sale of ~~Ur~~ Ler against
6 in 1877-78. The increase
was in Shimoga.

16 The large decrease
under Miscellaneous was
purely accidental. It was
due to large amounts of
interest having been collected
in 1877-78 from Contractors
in the Chitaldroog District,
none being recovered in
1878-79, as all farms were
worked by Amani.

17 Out of the Abkari col-
-lections, a sum of Rs. 232-13-11
was paid to the Sringeri Mutt

18 The cost of establishmen
amounted to Rs. 7,992-4-9 as
against Rs. 7,527-3-2 in 1877-78
The former included Rs. 1,192-14-6
spent in maintaining temporary
establishment to work the
toddy

20 The season was good for all crops and though some injury

injury was done to a few
Supari gardens in the Malwad
as already noticed under the
head of crops, on prices a=
rising with returning pros=
-perity, a large quantity of
Supari for which, as a
luxury, there was little or
no demand during the famine,
was poured into the market
by those who held it back
in stock. The Sayer duty
paid thereon has helped to
increase the returns which had
fallen considerably in the year
previous.

21 The following approxi=
-mate estimate of the stock of
Supari undisposed of at the
beginning and at the close of
the year bears out the above.

In the beginning of the year
Maunds — 1,42,076.

At

At the close of the year
Increase - 111,821.

22. The causes that led to the increase under Supari also caused the increase under tobacco and other heads.

23 Under the head dry cocoanuts there was however a falling off of Rs. 1,627-1-2 in all the Districts. The decrease in Salem which was Rs. 48-12-7 does not call for remark, as that District does not produce cocoanuts in any great quantity. In Chitaldroog and Kadur where they are largely produced in the Budihal & Bancavar Talukas, the falling off amounted to Rs. 1,089-6-8, and Rs. 488-13-11 respectively. It

It is attributed to the large number of trees which withered during the prolonged drought and also to the circumstance that dry cocoanuts take a year to be fit for export.

24. Taking the dry and fresh cocoanuts as one item as may fairly be done, they show a net increase of Rs. 621-12-9.

25. Five cases of smuggling were discovered in the Shimoga District, 27 in Chikaldroog and 75 breaches of the Sayer rules were punished in Kadur. It is not clear how many of the latter were pure cases of smuggling.

26. The establishments cost Rs. 19,620-4-11 or 4·9 per cent of collections.

27 The allowances granted to-

to Surandars out of Lyer
collections amounted to —
Rs. 21,819-5-6 or Rs. 9179-12-1
more than in 1877-78.

18. The tabular Statements
prescribed, and noted in the
margin and the reports of
the Dy. Commissioners are
enclosed.

1 Statements Nos 1 & 7.
2 Statement showing the
cultivation of opium
and ganja.

Despatched

To,
The Commissioner of the
Nagar Division.

Sir,

I have the honor to submit the following report on the Excise Revenue of the Kadur District for the year 1878/79.

This Branch of Revenue consists of Abkary and Sayer and is reported on under these 2 heads as hereunder.

Part I Abkary. The following Table exhibits the Revenue realized during the year under the several Subheads of Abkary as compared with those in the previous year shewing a net decrease of Rs 2193-6-12.

Items	1877/78			1878/79			Increase			Decrease

Grand Total . . . 67344 10 3 45409 14 3 58 - 5 21992 12 5

Net decrease 21936 12 -

From the above it will be seen that the realizations on account of Abkary Revenue shew a net decrease in the last year as compared with the previous one under every sub head.

The receipts under this head amounts to Rs 19893.5.1 against Rs 26179-12-1 in the previous year shewing a decrease of Rs 6286-7- " due apparently as in that year to the want of means of the consuming classes -

Details of the quantity of arrack manufactured in each Distillery and the Revenue derived from the vend of arrack during the year under report are shewn in the following table.

Number	Name of Distillery	No of Stills	Quantity of Spirits drawn off Gallons.	Degree of Strength	Cost of still head and other charges.	Quantity manufactured in Gallons.	Amount realized.	Number of Shops. Wholesale	Retail	Toddy Shops	Arrack Shops	Total.
1	Chetmugalur	4	9786	19° below proof	2 Rs. 6 annas each	9117½	17983 2 -	1	81	82	276	- - 3265 - - 23426 2 -
2	Hariharpur	3	1072		Abkari Establishment	1062	2124 - -	"	20	20	80	8 - 382 - - 2586 8 -
	Total	7	10858	-	-	10179 2/5	20107 2 -	1	101	102	226	8 - 3647 - - 26012 10 -

There was an addition of 1 still at Hari-harpoor the Head Quarters of the Koppa Taluk. This was the one discontinued in the previous year on account of the failure of the Distiller to pay the a-mount of the sale proceeds of shops he had obtained.

The total quantity of arrack is-sued during the year was 9117⅗ and 1062 gallons from the Chikmagalur and Hariharpoor Distilleries respective-ly against 11531 and 1952½ in 1877-78, or a net decrease of 3617⅘ gallons. Likewise the amount of still head duty levied was Rs 2010-2- against Rs 2671-8-9 in 1877/78, or a decrease of Rs 661-5-9 which may be attribu-ted to the poverty of the consuming classes, the results of the famine of previous years.

Licence fees.

The amount derived from this source was Rupees 3647 against Rs 4016 in the year 1877/78, shewing a decrease of Rs 369.

Only 102 shops were open during the year of which one was wholesale, one at Tarikere supplies from the Chikmagalur Distillery.

The Revenue under this head was Rs 225618- during the last year against Rs 2354-15-" showing a falling off of Rs 98-7-" which is a natural consequence of the diminution in the number of shops opened.

Sale proceeds of shops.

No licenses were applied for nor granted during the year.

License fees for the vend of Exotic Liquor.

There were 3 shops for the vend of Europe liquor under licenses issued from this Office Viz:t 2 at Chikmagalur and 1 at Moorgere and the amount of fees levied at the rate of 12 Rs each for the year was Rs 36, the same as in the previous year.

The three-year Toddy contract for each Taluk ceased with the end of the year 1877/78, and they were again put up except the Moodgere and Banavar Taluks and realized as follows.

	Taluk	Fn 1877/78			Fn 1878/79			Decrease		
1	Karkere	5550	"	"	2700	"	"	"	2850	"
2	Kudali	350	"	"	133	5	4	"	216	10
3	Koppa	35	"	"	15	"	"	"	20	"
4	Chikmagalur	8000	"	"	5666	10	8	"	2333	5
5	Banavar	15800	"	"	6851	11	"	"	8948	5
	Moodgere	4310	11	2	3828	8	6	"	482	2
	Total	34045	11	2	19195	3	6	"	15850	7

From the above it will be seen that there was a decrease in all the Taluks amounting to Rs 1585-7-8 on the whole.

The loss as in the previous year is mainly attributed to the loss of date trees and the diminution of means of the consuming classes, mostly in the Tarikere, Chikmagalur and Banavar Taluks, and also to the fact that the Ryots have been given the right to the date trees, standing on their holdings in the Tarikere & Banavar Taluks in which Survey settlement has been introduced during the year.

All the Taluks were found out on contract except Koodigere where in the right of collecting Bargany Toddy was let out village-war.

One Arkalgood Ramanna took up the Contract of the Banavar Taluk but as he failed to produce his surety according to the terms of the Notification of sale, it was resold but the result not having been satisfactory it was taken up under Government Management and the Revenue derived has been Rs 6851-11-0 without any additional charge.

The Chief Commissioner has

has since sanctioned the remission of 25 per centage of the ——— contract amount of the Chikmagalur Taluk for 1877/78 the Contractor having died and the Security paid up the Balance.

There was a Receipt of Rs 32-—-— under this head against Rs 85 in the previous year and the decrease of Rs 53 is attributed to want of Competition.

An Amount of Rs 50-—-— was realized from this source the license having been given out at Chikmagalur for 10 months at 5 Rs a Month.

This head comprizes Fines, sale-proceeds of smuggled goods as also fees for notices issued for the payment of arrears and interest. The amount received was Rs 84-—-4 against Rs 26-—-4 in the previous year.

The total amount charged under this head has been Rs 2781-12-11 as against Rs 3106-11-8 in the previous year as particularized below.

	1877/8	1878/79
Cost of Establishment	2568	2568
Paid to the Shringeri Mutt	538-11-8.	213-12-11
Total	3106-11-8.	2781-12

The payment made to the Shrin-
-gery Mutt was the still head duty
levied on arrack issued for vend in
the shops of the Jahagir villages
viz:- Rs 438-"-" minus Rs 224-3-1
on account of cost of Establishment
proportionately charged giving a
net income of Rs 213-12-11 against Rs
538-11-8 in 1877/78 shewing a decrease of
Rs 324-14-9 which indicates dimin-
-ution in Consumption in the
Jahagheer.

The Returns in the prescribed
form are herewith submitted.

II.

The amount of Revenue derived
from Sayer Salut duty on each
article during the year under
report is exhibited in detail in
the following Table as compared with
the realizations of the previous one
1877-78, shewing a net improve-
-ment of Rs 25 718-12-3.

Items.	1877/78	1878/79	Increase	Decrease
Supari.	80 759 10 "	98853 7 2	18093 13 2	" " "

Total	104806 9 1	130525 5 4	28437 1 4	2718 5 1
		Net increase	25718 12 3	

Thus

From it will be seen that there has been improvement under every head except Sayer on account which was owing to the small quantity of Cocoanut stocked at the end of the previous year for sale during the year under report.

The Sayer Revenue of 1876-7 was Rs 124974-12-9 so that the year under report gives an increase of Rs 25718-12-3 over the previous year and Rs 5550-8-7 over 1876/77.

The amount of Revenue derived from Sayer duty in each Taluk of the District is given in the subjoined Comparative Statement.

No.	Taluk	For 1877/78	For 1878/79	Increase Decrease
1	Tarikere	6172 8 1	10861 8 8	4689 " 7

	Total	104806 9 6	130525 5 4	25718 12 "

There was an increase in every Taluk. Moodgere shews a small income but it produces more Coffee than articles on which Sayer duty is levied.

The values of different dutiable

dutiable articles stocked at the end of the year under bonds as contrasted with the previous one are shewn below.

Particulars	End of 1877/78.	End of 1878/79.
Soopari	30408 5 2	22074 3 9
Tobacco	8257 1 7	8923 8 ·
Cardamom	60 2 4	17 · ·

The cost of Sayer Establishments during the year has been Rs 6714- against Rs 6782 in 1877/78 the percentages of which to the total collections amounting to 5·2 & 6·4 respectively.

The item of Miscellaneous receipts consists of Rs 90-2- fines for breaches of Sayer Rules, Rs 85-7- Sale proceeds of smuggled articles Rs 22-6-6 double duty on articles found in excess of the quantities mentioned in Rahadaries & Rs 151-12-6 fees on Rahadaries.
